**NOTES**

Item	Focus	Leader	Date
1.	<b>Welcome, introductions and acceptance of agenda</b> The agenda for today’s meeting was reviewed and agreed by the panel members.		
2.	<b>Review of actions and notes from previous meeting</b> The actions from the last meeting were reviewed, with all completed actions being closed.		
3.	<p><b>Final drafting review</b></p> <p><u>3.1 Main body of EREC</u> Each section of the document was reviewed with members discussing the text used and ensuring consistency across the text used. Discussions then focused on the restrictions sections section and a discussion was had on the restrictions A1, A2 and C. The inclusion of circuit breakers related to operational overload schemes in A2 was debated, and it was agreed to reach a decision on this during the DNO feedback period of review. An interpretation for restriction C relating to equipment directly connected to bus bars was drafted (section 5.4.1) and will be reviewed as part of the final draft.</p> <p><u>3.2 Annex diagrams and tables</u> The WG reviewed the tables in the annex section for consistent wording and made minor editorial changes in line with the formatting of the document.</p>	<p>CMc</p> <p>CMc</p>	<p>14/05/21</p> <p>07/05/21</p>
