DCRP/20/05/PC - P18 Issue 2 Complexity of 132kV documents

Responses from the consultation are currently being reviewed by the working group and a final modification report is being prepared.

DCRP/MP/19/09 EREC P24 Issue 2

Any further development to P24 will be delayed to align with P29 expected publishing – P29 is currently undergoing review by members. P24 Issue 2 has seen majority of members of the group in agreement, with a further update being provided by the end of October.

DCRP/MP/20/04 Data Exchange WG

Work is continuing on the formation of the EREC the principles to be included have been agreed in principle and will be included into the document.

DCRP/MP/21/02 EREC G100 Issue 2

Discussions have been held with all respondents from the first consultation. The Draft EREC has been amended in line with the feedback and the WG has reviewed and approved these amendments. Plan is to hold one further discussion with BEAMA and REA members to provide an update of the changes and proceed to a second consultation on the proposed issue 2 of the document.
