### MEETING NOTES AND ACTIONS

### LEAD

Agenda item	Welcome and acceptance of agenda	AH
Members were welcomed to the meeting, and the agenda was agreed.		
<b>Actions</b>	None	

Agenda item	Review of previous actions	MK
-------------	----------------------------	----

All actions were complete, or on the current agenda.		
<b>Actions</b>	None	

Agenda item	Fault Ride Through	MK
MK explained the minor changes to the wording since the last meeting. CM confirmed that his circle of stakeholders did not see any particular problems with the approach. It was agreed that the text reviewed today would be taken forward.		
<b>Actions</b>	Include in next minor technical mods iteration of G99. <b>14/06/24</b>	MK

Agenda item	Consultation Question	MK
The meeting agreed that the two questions on the slides were appropriate. MK reminded the meeting that there was still time to suggest further questions.		
<b>Actions</b>	Include the two questions in the consultation paper for the minor technical mods. <b>14/06/24</b>	MK

Agenda item	Next Steps	MK
MK and MD confirmed that there was an expectation that the text, as part of the minor technical mods, would go out for public consultation after the next Distribution Code Review Panel, which is scheduled for the first week in June.		
<b>Actions</b>	Complete documentation for consultation. <b>06/06/24</b>	MK/MD

Agenda item	AOB	AH
AH thanked the meeting for the effort and input that has brought this islanding work to a successful conclusion.		

<b>Actions</b>	None
