DCRP/MP/20/04 - Data Exchange WG

The following materials have been prepared in advance of the 2025 Trial Data Exchange: the EREC G111 document, the DNO/IDNO interaction contact list, and the Schedules. The 2025 Trial Data Exchange began on 24 March.

DCRP/MP/23/01 - Engineering Report (EREP) 28

Voltage fluctuations and the connection of disturbing equipment to transmission systems and distribution networks in the United Kingdom

Commenting through the DCRP and DER TF has been completed, and as a result, significant feedback has been received. Threepwood provided feedback on the comments received through the DCRP commenting process and forwarded them to the P28 WG for consideration. Additionally, WG members were asked to review and provide their views on Matthew Porter's comments. The next step is to amend the guidance to address the comments from the DCRP.

DCRP/MP/23/04 – EREC P2/9 and EREP 130/5

Security of Supply

Both documents presented to P2/9 Working Group for review and comment. Read through of final drafts completed (end March 2025). Both documents to be reviewed against final comments prior to being presented to DCRP for approval to go to Consultation.

DCRP/MP/23/06 – EREC P24/2

AC Traction

On hold

DCRP/MP/23/07 – EREC P29/2

Awaiting final draft and consultation papers from Technical Author

DCRP/MP/23/08 – EREC G81

Planning Document suite - Parts 1 to 7

The agreed scope includes revising the original seven parts of G81. The next steps are:

- Review parts 1,2,3 and present them to the WG for comments.
- Review parts 4,5,6,7 and present them to the WG for comments.

To implement these steps, the primary reviewers have been identified and in conjunction with Threepwood will carry out the agreed actions.

DCRP/MP/23/09 - ETR 122 & G5/5-1

The final version of the document is being reviewed with minor modifications and clarifications and being prepared for presentation to DCRP for approval to go to consultation.

DCRP/MP/25/02 – Distributed Generation Connection Guide

Annual revision of DG Guide has been finalised and will be published on 31 March.
