	Question	Response
Q1	Do you agree with the general intent of the proposed modification? If not, it would be helpful if you could explain your views.	
Q2	Do you agree that the draft legal text is adequate for the adoption of distributed restart? Please do provide comments on the drafting either as mark up, the response proforma, or any other convenient method.	
Q3	Do you think it is appropriate to include the Distributed Restart amendments now bearing in mind such proposals would fall under the EU Emergency and Restoration Code, or do you think that the Distributed Restart legal text should be transferred to GC0156, so that it can be finalised in the context of the ERSR requirements? Please provide a rationale for your response.	
Q4	Please state how you think this modification addresses the relevant Distribution Code Objectives.
