Or use Dial-in details:

Teleconference number 020 3855 5885

Conference ID: 580 116 964#

DCRP/MP/21/07 - EU Exit Modification

This modification is currently with the authority for decision. should this modification proposal be approved, it will be removed from any future meeting documents.

DCRP/MP/21/08 - Fast Track

Replacement of the “Integrated Microgeneration and Storage” process

This modification has been submitted to the authority for decision. Amendments to EREC G98 (Amendment 7) and EREC G99 (Amendment 9) are being prepared in preparation for any changes to existing procedure.

An implementation date 2 months post the date of publication has been proposed.

DCRP/MP/19/09 - EREC P24 Issue 2

AC traction supplies to British rail

Any further development to P24 will be delayed to align with P29 expected publishing – P29 is currently undergoing review by members. P24 Issue 2 has seen majority of members of the group in agreement, with a further update being provided by the end of June.

DCRP/MP/20/04 - Data Exchange WG

The working group has decided to have the guidance document proposed to sit outside the Annex framework of the DCode. Any required changes to the DCode in relation to data will be consulted on before the changes are made.

DCRP/22/01/PC - Emergency and Restoration Code Implementation - and Distributed Restart

Consultation closed Friday 27th May any feedback is being collated. Discussions with NGENSO will be held on the direction of this modification from the feedback received.
